1. Introduction

Beloved Family of God in the Americas, the Lord encourages you to prayerfully read and use this *Message of Mercy Proclamation - Awake & Act NOW!!! to survive his way!*

God gave it to his doomed nation of the United States of America around 7 am e.s.t. on Tuesday November 27th 2008 The traditional Day of Thanksgiving in the USA

This Awake & Act NOW!!! Proclamation states that God is out of patience and mercy with his United States of America *and has given all of its leaders an evil spirit of enchantment*

God gives people what they truly want in their hearts! Even if it is bad for them - *Then like rebellious children* they learn that it is better to obey God and his true leaders than do their own thing

Why would our Lord God Almighty do such a thing you may wonder? Simple, God is giving *rebels and mixers the reward of the wicked...* God is giving them fully what they want *more debt, disease and death*

God however, continues to extend his mercy to the individuals in his USA, his Americas and his world who listen to him and obey him *to Be Saved (survive), Be Sanctified (empowered of God) and Be Baptised by God in Christ (in full communion and communication with God daily)*

*Beloved Family of God in the Americas - You are earnestly encouraged to **SEEK GOD DAILY** and **DIRECTLY for Yourself!**
You can only do this by reading and hearing his word in **FULL FAITH** and **ASKING GOD HOW TO LIVE IT IN YOUR DAILY LIFE ... EVERY DAY!***

I continue to pray for the full *Salvation, Sanctification and Baptism* of you, your household, business and circle of religious influence

your servant, hendrickus of Ourplace

3. In Summary

Beloved member of God's Family in the Americas

Hopefully, you and yours have prayerfully read and meditated in this
Awake & Act Now!!! Proclamation from the Lord God Almighty
It is for you today... Take it seriously and live!

God reiterates herein what he said in his
A Day of Doom in America Proclamation of November 4th 2008
that **his mercy** to his not-so-united States of America
as the world's mightiest nation ever **is over as a nation!**

God now adds to this warning to the individual people of his USA
that **he has given a lying spirit of enchantment**
to the USA President, Barack Hussein Obama, and all of his advisors

They enchant the USA people and others world wide
by lying and enticing the people
with magic and sorcery to do their will - not God's will

They arouse their enchanted foolish-followers
to ecstatic admiration of them as saviours of the 'little-gods'
Such 'little-gods' as *the 'everybody needs it economy little-god'*
the *'global warming environment little-god'*
and the *'extreme die-hard survivor entertainment little-god'*

Barack Hussein Obama's declaration of ***Yes we can!***
Is a declaration of self-reliance and rejection of God's help!
Thus, the USA as a nation under God
which declares on its coins that ***in God we trust***
but acts otherwise - ***Has totally rejected God***
And now God rejects his USA as a nation to protect it

The not-so-united States of America as a nation under God
Has become totally full of sin, corruption and evil!!!

Yet, God in this Awake & Act Now!!! Proclamation
Still reaches out in his mercy to the individuals who will obey him
Save yourself America - from this perverse world NOW!!!
Before it is also too late for you and yours!!!

Awake & Act Now!!! - A Proclamation of God

Thursday, November 27th 2008 - 7 am e.s.t.
Thanksgiving Day in God's United States of America

Beloved of God - Be Loved by God in America - Now!

Three weeks ago, November 4th 2008, God directed me to send to his people
his Message of Mercy - A Day of Doom in America!

It earnestly exhorted all to ... ASK God for yourself!

To forgive you your outstanding sins

And what you should be doing now with ***your time + talent + treasure?*** If
you're anything like i used to be, you may have:

o Casually read it o Thought there goes that
'pretending-prophet' hendrickus again
o Dismissed it or o Continued in your daily life - ***trying to survive***

You may have watched or read about the USA presidential election You may
have cheered when president-elect, Barack Hussein Obama declared loudly
in his victory speech late on the night of Tuesday November 4th

"YES we can!!!"

|
A Declaration of self-reliance and denial of God's help!!!

That's right - ***a Declaration of Total Denial of God's Help!*** That's how God
sees it and his opinion counts

Beloved of God AWAKE & ACT NOW!!!

Ask God for yourself to show you the truth of what God is doing
in his nations of the not-so-united states of America, Canada, Mexico
the European Union - And the rest of God's world?

Here is what God has already done with his servant Barack Hussein Obama *The Lord asked, Who will deceive Ahab?*
(Barack Hussein Obama a type of Ahab)
A spirit stepped forward, approached the Lord and said, *I will deceive him* How?
The Lord asked - The spirit replied
I will go and make all Ahab's prophets (Barack's advisors) tell lies
The Lord said, *Go and deceive him - You will succeed*

That's right the Lord God Almighty himself has given Barack Hussein Obama and all of his advisors
a lying spirit of enchantment!
It's the same *spirit of enchantment* God gave to such as Ahab an evil king of Israel, Hitler and Saddam Hussein

Why would our Lord God Almighty do such a thing you may wonder?
Simple, God is giving rebels and mixers the reward of the wicked
God is giving them fully what they want *more debt, disease and death* Obama is God's instrument herein

Thus AWAKE & ACT NOW!!! Be Loved by God in America!!!

*Escape as individuals
the total chaos, violence and devastation
that God is bringing upon the USA
Canada, Mexico and the rest of the world's nations
to destroy man's way of debt, disease and death!*

***ASK God for yourself
to help you use your time + talent + treasure
to SURVIVE with POWER God's Way!***

*God has chosen you and yours to live
in his **Holy Ring of Comfort** as his obedient leaders
in **these Days of Doom** and his **Holy Ring of Terror**
already upon the disobedient rebels and mixers*

Thus first escape yourself - Be used by God to help three billion + one souls
escape God's destruction of man's self-centered ways
in obeying the devil and not the Lord God Almighty

AWAKE & ACT NOW!!! Be Loved by God in America

End of Awake & Act Now!!! Proclamation of God
