### 1. Introduction

*You are invited to join hendrickus, the founder of Ourplace, in learning about the Ourplace Vision, its Mission, its people, and its God-given work to help seeking spiritual youth survive with power, in the social environment of today's world. God's Way to #SurviveWith Power.*

*You may discover that Ourplace and its God-given work is a source of blessing and profit for you. That you can become a part of Ourplace through the free-will contribution of your time, talent and/or treasure.*

*You are encouraged to get to know us well and #AskGod for yourself how you should become a part of the Ourplace activities.*

*Should God lead you to join us as a contributor who gives in common with others of their resources, to play a significant part in bringing about a God-changed society, you will be blessed beyond your wildest dreams.*

*your servant hendrickus*

## 2. Overview

*Ourplace is a prophetic Christ-centred spiritual service. We are in the soul commodity business to help seeking spiritual youth save their souls*

*Seeking Spiritual Youth* are those learning to live their faith in God. They desire to hear and obey God. To have God help them escape the overwhelming debt, disease and destruction overtaking our world.

*Ourplace* helps by listening to God via earnest-prayer, recording what God says, and telling those God sends us to *what God is doing in their lives*. ... We pray for them and those who ask us to intercede with God.

*Our Vision is to glorify God simply, quietly and humbly*. To mind our own business, receive God's super-abundance and share this with others.

*Our Mission is to help those who desire to discover their dream live it*. The ultimate dream of all is to know and obey God. To be blessed by him in fulfilling their destiny. ... *This is wellness plus wealth!*

Our market of willing-constituents grows daily as the debt and devastation of man's self-willed lifestyle bankrupts society. God has us hoping for a total of 3,000,000,000 + 1 souls to be saved in our lifetime. Our geographic focus is in the Americas - North, Central and South.

*Hendrickus, the founder and owner of Ourplace has been called, trained and anointed by God as one of his prophets to lead the Ourplace work since 1985. He lives totally by faith in God for all our needs. Neither he nor any of the Ourplace fulltime volunteer workers are paid economically. They are supported in their expenses and living costs.*

*Ourplace is a sole proprietorship registered in Ontario, Canada.*

*Ourplace* is now expanding its works through our 13 websites, acquiring property in Richmond Hill, Canada and broader outreach activities, as God guides and provides.

*If you too desire to #SurviveWithPower - God's Way come join us!  
God will multiply your contribution in ways not dreamed of each day.*

### **3. Vision & Mission**

*Our Vision is to glorify God simply, quietly and humbly!*

We do so by living our whole life in full obedience to the Lord God Almighty in Christ, as he leads us and provides daily for us by his grace.

By staying in full communion and communication with God through daily earnest praise prayer we receive God's daily direction and power to overcome all obstacles in peace and prosperity – *Survive God's Way*.

*Our Mission is to help those who desire to discover their dream do it.*

By sharing our time, talent and treasure with those who ask us for God's help we daily practice *God's Economy of Abundance*. We help our constituents to discover for themselves their dream and how to let God help them live it fully to bless others and themselves.

*The ultimate dream of all humans is to know and obey God. To be blessed by him in fulfilling their destiny. This is wellness plus wealth!*

### **4. Markets & Constituents**

The market for our work covers the ages from birth unto death, both sexes, and the cultures, languages, religions, education and economic strata found in the geographic markets of; Canada, the USA, Mexico, Central America, the Caribbean, South America, Nederland, Liechtenstein and the Oriental lands of Asia, China, India and Pan-Asia.

*Our primary audience psycho-graphically is seeking spiritual youth. They rebel to the hypocrisy in today's society. They are fed up with lying, injustice and the overall lack of hope in living a worthwhile life to fulfill one's dreams. They are looking to exodus today's society of debt, disease and devastation.*

Though predominately English-speaking, *Ourplace* will also appeal to French, Spanish, Portuguese, Chinese, Arabic, Persian, German, Dutch, Hindi and Hebrew speaking peoples in our geographic markets.

## 5. Services & Products

*The Ourplace Services and Products expand as God is leading us and provides for giving these to our constituents. We have been doing this fulltime since 1998 by working our faith in God.*

The *Ourplace* services and products include:

o *Messages of Exhortation & Explanation from the Lord God Almighty via Christ Jesus.* These are in the form of a number of Proclamations God has given his prophet hendrickus. See Section 10 for a detailed list.

o *Interceding in earnest praise prayer with the Lord God Almighty via Christ Jesus for those God tells Ourplace to pray for.*

o *Praying earnestly to the Lord God Almighty via Christ Jesus for any person, household, business, circle of religious influence, city, region, nation or kingdom who sincerely asks hendrickus to seek God for them.*

He has done this full time since 1998 whenever asked by anyone of any religion or culture. He counsels individually or in groups on what God says to those who have asked for earnest praise prayer.

o *Ourplace also alerts and guides seeking spiritual youth in How to Survive with Power God's Way in today's world of chaos, violence and devastation. We do so by sharing what we have practiced under God's Holy Spirit training. We endeavour with God's help to only preach what we first practice. Learning God's Way by trial and error in God's mercy*

o We have been developing the 13 websites as God leads and provides. These websites allow *Ourplace* to reach out to a wider range of its target audience. To provide all of its services and products online

o *Ourplace* trusts God totally for all of its provision, prosperity and protection. We do not copyright material. We let it be used by any as they are guided by their conscious, their need and God's oversight.

o As God leads us *Ourplace* researches ways to help its constituents and itself to provide a broad-based scope of services and products as needed.

o Our focus is particular on; #Kids 3 to 12, # Youth 13 to 17 and #YoungPeople 18 to 34. Geographically; Canada, USA and Mexico.

## **6. Expanded Outreach Activities**

*God told hendrickus to name our soul-commodity business - Ourplace.*

*We are a sign to all that God is now taking back the whole earth from Satan and his horde of deceiving perverts. The earth once again Ourplace - A place to live in total wellness and wealth!*

*In A Message of Mercy given February 1998 to hendrickus, God prophesied an Economic World War between the European Union and North America. It is at our door. Evidence the 2008 financial meltdowns. This economic war will cause worldwide starvation.*

*God has called Ourplace to be one of his major resources to help all who earnestly ask God to survive with his power and live in God's Abundance. To do so spirit, soul and body.*

*Ourplace is commanded by God to now earnestly expand its outreach activities within its target markets to bring 3,000,000,000 + 1 souls into the fullness of God's Abundant life.*

*The following covers the Ourplace expanded outreach activities.*

- o Help all who ask God, whole households, businesses and circles of religious influence, to survive, be empowered and be in full communion with God to survive the coming worldwide famine.*
- o Help all who ask God, to know their position in God's eternal family and government, and operate in that position each day.*
- o Expand the Ourplace communication system to reach all in its target market areas. To provide a simple, effective two-way communication system to all who call on God through Ourplace.*
- o Develop Godly-abundant income means to help billions of people who ask God for help with their daily needs.*
- o Help secure property to provide free to low-cost housing for the millions of devastated people in the Americas, and those God brings to the Americas through his worldwide famine.*

*o Help improve transportation to provide free to low-cost transportation for the millions of devastated people who ask God for his help.*

*o Help coordinate Godly food production and distribution systems in the Americas to provide daily food and drink for all who ask God.*

*o Help coordinate the needs of the billions of surviving, fully empowered and in full communion with God people. So that they can grow daily in Christ and God's Way to provide for themselves and those God brings to them to care for*

In light of God's increasing devastation of the man-made, crumbling systems of government, which are not providing for the needs of their people, the expanded *Ourplace* outreach activities seem bold dreams.

However, it is nothing for the Lord God Almighty to do these things through seeking spiritual youth and mature men of God. After all he is the creator and ruler, even today, of the whole universe.

God claims and proves daily that all in the whole universe belong to him, he rules it and he gives his resources to whom he wills.

God says, *"For with God nothing is impossible... Thus, says the Lord, the holy one of Israel, and his maker: Ask me of things to come concerning my sons, and concerning the work of my hands, you command me ... For every beast of the forest is mine, and the cattle on a thousand hills... Now therefore, if you will indeed obey my voice and keep my covenant, then you shall be a special treasure to me above all people; for all the earth is mine."*

*We at Ourplace believe God and take him at his word daily. Thus, he uses us as a simple, quiet and humble resource to glorify himself.*

*You and yours may seek God as to how you are to survive and be a part of God's Abundant life now! And a contributor to God's work.*

## 7. Administrative People

Hendrickus, the trusted servant workers, volunteers and paid professionals who work with him from time to time, are dedicated people of different real-world experiences and cultures. With God's help we endeavour to run all aspects of *Ourplace* in a practical and ethical business manner.

The trusted servant workers and volunteers who work with *Ourplace* do so freely without economic pay. Our reward comes from God in peace, joy, protection and wellness of spirit, soul and body. We also receive all manner of provision as needed for our work and lives. *God supports hendrickus and his trusted servant workers, who work full time on God's Ourplace business, in their living needs.*

Ourplace also hires professionals, as needed, for our work. These are paid the day they complete + test in the marketplace their assigned project.

With God's help, hendrickus the founder and owner of *Ourplace*, has experience in surviving successfully in the environments affecting today's family, community, business, government and spiritual needs.

Under God's guidance, he has decades of professional and volunteer experience in the spiritual care of youth, the addicted, seniors and leaders of industry and government. Before becoming a prophetic-pastor he worked for years for Fortune 500 companies in marketing and management, and many more years in his own businesses in Canada and the USA in management and venture capital consulting.

The Trust Servant Workers who work with hendrickus from time to time are also dedicated experienced people. They handle specific management activities for *Ourplace* as needed.

A team of Trusted Servant Workers is continually being brought to *Ourplace* to manage the broadening scope of *Ourplace* activities.

The best way to learn to know about us is to work with us and see *God's mercy and grace-abundance at work* in frail human vessels such as we are. Then you too can *give God the glory* not his chosen, weak human instruments, such as we all are.

## 8. Financials

As a sole proprietorship *Ourplace* pays all taxes required by law where we work. God tells us to do so to support the infrastructure of those places and to show that we trust God only for our all through his grace.

*Ourplace* endeavours to pay first out of all out of its income a 10% Tithe and a minimum of 10% in Offering. We give this as God directs to people worldwide. We desire to daily give away more than we use.

Earnest Prayer to the Lord God Almighty guides all of the *Ourplace* activities, including our financial and funding activities.

*Ourplace* secures funds for our daily operational needs and specific authorized projects using a *Sustainable Funding Program*. This obtains funds from our own resources first. Then we ask a limited number of people or organizations for their help and/or offer services to clients.

*Ourplace* also receives *in-kind support* in lieu of funds in time, talent or resources when freely given by contributors.

*We believe that everything belongs to God. That God sees all and God rewards all according to their hearts' desire and good works. Ourplace therefore truly operates always as unto the Lord God Almighty and expects God to provide and judge us accordingly.*

Our experience in *living totally by faith in God* for many years now in the USA and Canada has strengthened our faith to *totally trust God for our all in all and obey God immediately.*

## 9. Your Contributor Part

Three thousand+ years ago one of God's *seeking spiritual youth*, a man called Joshua, said this after leading God's people out of slavery into a promised land of God's abundance for the obedient, "*But if serving the Lord seems undesirable to you, then **choose** for yourselves this day **whom you will serve**, whether the gods your forefathers served beyond the River,(the gods of money and military power) or the gods of the Amorites,(the gods of the environment and entertainment) in whose land you are living. But as for me and my household, **we will serve the Lord.**"*

Prayerfully ask God today, whether you and your household, your business and your circle of religious influence want to continue serving the gods of the economy, environment and entertainment to name a few.

Or do you and yours desire today to choose to *survive, be empowered and be in full communion with God in Christ – God's Way to Survive with Power unto Glory!*

Clearly, the time is now to enter into God's full-righteousness-in-Christ! The choice is solely yours! Do you choose ... LIFE or death?

*If you choose LIFE – God's Way* contact *Ourplace* and see how you too can be blessed and profit by the Lord God Almighty himself by sharing some of your time, talent or treasure with us in God's work.

All contributions of your free-will time, talent or treasure are recorded confidentially within our records in code only. We do not provide contributor lists to government agencies, such as non-profits are required to do by law to stay in business. Nor do we give any indication of your participation to anyone else... God protects you and *Ourplace*.

God says, "*Therefore, when you do a charitable deed, do not sound a trumpet before you as the hypocrites do in the synagogues (churches, temples etc) and in the streets (through publicity), that they may have glory from men. Assuredly, I (God ) say to you, they have their reward. But when you do a charitable deed, do not let your left hand know what your right hand is doing. That your charitable deed may be in secret; and your Father who sees in secret, will himself reward you openly."* We believe this and live it everyday at *Ourplace!*
